## GENERAL TERMS OF BUSINESS

---

### 1. Registration/payment

- 1.1. Participants can enrol online under: [www.leipzig-interventional-course.com](http://www.leipzig-interventional-course.com). You will receive a confirmation and invoice via e-mail. Payments by bank transfer for your registration need to be received on our account by January 14, 2019. <sup>1)</sup>
- 1.2. After registration has been paid and the amount has been noted on our account, you will receive a confirmation of payment via e-mail. Participants may also register directly at the check-in desk. However, we would like to point out that you might have to expect waiting times at the check-in desk should you appear on the first morning of the congress without having enrolled prior to congress start. We therefore strongly recommend that you register in advance to make everything easier both for you and for us! <sup>1)</sup>
- 1.3. If the participant requests a change of invoice address after an invoice has been issued, this change will result in a 50,- Euro fee.
- 1.4. Invoices are generated by Provascular GmbH. CongO GmbH is acting as an official representative on behalf of Provascular GmbH.
- 1.5. When you enrol for the congress, you accept our participation conditions, the congress fees and our exclusion of liability.
- 1.6. You will not be allowed to access without a badge. Please keep your badge safely. It exists NO right for replacement in case of loss. You may be required to present your ID/Business Card for verification purpose.

### 2. Cancellation

- 2.1. Participants may cancel registration at any time. However, should you cancel your registration after the pre-registration deadline has expired, (i.e. after midnight of December 14, 2018) congress fees will be payable in full. Fees already paid will not be refunded. <sup>1)</sup>
- 2.2. Instead of cancelling your registration, you may also name a substitute until December 14, 2018, and we will change the reservation accordingly at no additional cost. However, the original congress participant will continue to be liable for paying the fees; fees will not be refunded to the original congress participant. A change of reservation will not entitle you to a corresponding correction of the congress papers (list of participants, etc.). A change of registration will only become effective if the new congress participant has accepted our general terms of business. <sup>1)</sup>
- 2.3. Cancellation or change of registration must be made in writing in order to be valid. Cancellations or changes of registration by phone will not be valid. If you send a fax (+ 49 89 94 39 92 273) or an e-mail ([registration@leipzig-interventional-course.com](mailto:registration@leipzig-interventional-course.com)) this will be deemed sufficient in terms of compliance with the requirement to submit cancellations or changes of registration in writing.

<sup>1)</sup> These terms do **NOT** apply for company registration accounts. The corresponding details are listed under **Important Information** in the respective company account.

### 3. Hotel reservations

- 3.1. We have reserved a limited contingent of rooms in advance for the congress participants at the hotels listed in the registration form. Reasonable room rates will be offered. However, you may reserve rooms at more favourable conditions when booking accommodation through other reservation systems (e.g. on the Internet), since these systems usually book larger contingents in the respective hotels. In the low season you may find special short-term offers at prices below those we have negotiated. CongO GmbH will not assume any liability if higher room rates are charged to congress participants.
- 3.2. Room reservations may be cancelled according to the general business terms and conditions of Leipzig Tourist Marketing.
- 3.3. Due to the limited number of rooms, CongO does not guarantee that all congress participants will be able to reserve the room of their choice in the hotel selected, or that they will be able to reserve a room at all, for example if the contingent is exhausted. If circumstances require, reservation requests will be considered on a firstcome, first-served basis.

### 4. Liability

- 4.1. CongO will be liable only for services actually performed by themselves in accordance with the statutory regulations. Any further liability is excluded. This shall apply in particular to third-party services provided by hotel and catering services, transfer and tourist services as well as other work performances or services. CongO will only act as an intermediary here. Liability claims for such third-party services may only be asserted against the respective service provider. In addition, CongO will be liable for faulty contractual performance, unlawful acts or, in the case of culpa in eligendo, for intent and gross negligence only.

### 5. Programme

- 5.1. CongO expressly reserves the right to change the congress topics listed in the programme or to engage other lecturers. CongO also reserves the right to make changes regarding the announced Global Expert Exchange, without assuming any liability for any such changes.

### 6. Privacy

- 6.1. All attendees of LINC should be aware that photographs will be taken by our official congress photographer during the course, which might be used on our website, app, and/or printed media.
- 6.2. The Leipzig Interventional Course will not forward your registration data to the industry partners or any other entity or individual person. However, please be aware, if you have the QR-code on your badge scanned by an exhibitor/participant, they will automatically have access to the given data in your registration form.
